village happenings

village focus

Things are well underway for this year's Food and Wine Festival and it's looking like it's going to be a big event- Don't forget to come on down.

We recently had St Patrick's Day festival at the village, but due to the weather not being so good on the morning of the event we had to cancel some of the activities, still turned out to be a great day.

Was fantastic to see people out and about especially those dressed in green.

Summer Live music on Thursday at the café strip has now finished up until next summer; I would like to thank all those that performed for us and also thank the Mangere Bridge Progressive Business Association who makes it possible for us to have these nights.

Mangere Historical Society

Siobhan Vonski spoke of the enthusiasm that has grown for vintage clothes from the 1920s through to the 60s. She had four models with her to parade their own clothes, which brought back many memories of very full and stiff petticoats under big circular skirts, slim tight fitting frocks with spots, or stripes. A boater sat well on the head of one of our male members.

The Very Vintage show will be held at Alexandra Park on April 9th and there will be a jazz vocalist and band, vintage vehicles, baking competitions as well as Competition for Miss Pin Up and many models wearing their fashion statements from years gone by. Some members had searched the deep recess of their wardrobes and produced frocks and an evening coat, swimwear, lawn nightie, embroidered linen petticoat, and beautiful embroidered silk shawl belong to a great grandmother. An elegant flocked patterned Mother of the bride outfit belonging to another Grandmother was exhibited along with a pleated crystalline and beaded 21st outfit. Everything encouraged much chatter over the cup of tea at the end of the meeting. New members are always welcome to come on the third Tuesday in the month at 1.30p.m.

Your property – Mangere Bridge

Theres so many people wanting to subdivide, build minor dwellings, call for appraisals, valuations for insurance as well as the Proposed unitary plan that kicks in Sept this year. It would be beneficial to have those in the industry available to speak to.

With that in mind we are going to be running a few meetings with some professionals from the different professions to assist our locals and bring some clarity to everyone.

All meetings will be about property; how to increase the value of your property – mistakes people make that make little difference to the value of a property and what makes a considerable difference.

Where: St Johns Church

When: 5th May, 19th May, 26th May, 2 June.

What:

Thu 5th May: Valuer, to give you information of Valuations

Thu 19th May: Kiwisaver Advisor - Explaining how to get the best out of Kiwisaver

Thu 26th May: Mortgage Advisor - Explaining different ways to finance a property purchase

Thu 2nd May: Staff from the Council - Explaining the new changes affecting subdivision and minor dwelling consents
